

Professional Website Services

Simple. Clean. Effective websites for small businesses.

How It Works

- 1 Discovery & Info – You provide your business details, photos, and contact info.
- 2 Design & Build – Custom, mobile-friendly website tailored to your business.
- 3 Review & Revisions – You review and request any final adjustments.
- 4 Launch – Your site goes live and is ready for customers.

Pricing

- 1 **Starter Website – \$400**
One-page custom site, mobile responsive, contact integration, deployment included.
- 2 **Business Package – \$600**
Includes Starter + domain connection + basic SEO setup.
- 3 **Premium Package – \$900+**
Includes Business + multiple pages + advanced design and support.

Add-Ons

- 1 Extra pages: \$75–\$150
- 2 Monthly updates: \$50/month
- 3 Logo/design assistance: Custom quote

Note

Hosting is free via GitHub Pages. Domain purchase (~\$10–15/year) is handled by the client.
